

SPECIAL TOWN MEETING
Thursday, October 12, 2018, 6:30 p.m.
Riverview Town Hall

Present: Hogan, Booth, Zittlow, Board Members. Nels & Elsie Jensen, Daryl Jensen, Jim Kuske, and Mac Davis and Kim, guests.

Purpose of Meeting: discuss winter maintenance plan.

Due to the fact 2017 winter season will be the last year Jackson (Jim Kuske) will be plowing the Crooked Lake area, the following decisions were made:

- **Jackson will plow the 2017 winter season through April, 2018. He will have the authority over trucs in Crooked Lake.**
- **Jackson has a driver for the Remic 5-yard plow truck.**
- **Mac Davis, owner of Northland Services, LLC will contract with the Town for his pickup truck with plow to do the Crooked Lake Fire Dept., Recycle Center, and all inter-sections.**
- **J&J has an extra plow truck if needed on either side of the Town.**
- **Jackson will repair Remic skidsteer for loading salt and sand on trucks, which he will do.**
- **Jackson will show Mac all intersections and other places to plow within the next month.**

The Town is to provide Mac with all names and numbers of people he may need to be in contact with while doing this job.

- **The Remic contract for plowing (pickup truck with plow) is now terminated.**
- **The Remic contract for plowing (5-yard truck) will terminate April 30 , 2018.**
- **The Remic building lease will terminate April 30, 2018.**
- **Jackson will terminate his plowing relationship with the Town April 30, 2018.**

The Town will have salt, sand, plus any supplies and equipment out of leased building from Remic property by April 30,2018.

Note: salt to sand ratio will now be 5% as recommended by DOT and because of past excessive cost. Material will be spread one direction only while driving down the middle of the road. This will be on all roads except Maiden Lake Road from Mulligans to the Resort, which will have two passes.

Minutes prepared by:

Ann Hogan, Chairperson
