- (b) Areas To Be Regulated. All lands within the boundaries of Oconto County are subject to the terms of this ordinance.
- (c) Administration. The administration of this ordinance is assigned to the Finance/Insurance Committee of the Oconto County Board of Supervisors. The County Clerk is authorized to execute all necessary conveyances to purchasers and to former owners as permitted herein upon the approval of said conveyance by the Finance/Insurance Committee.
- (d) Procedures. Real estate to which the County has acquired title by delinquent tax procedures may be sold only under the procedures of this Section.
 - (1) Appraisal
 - (A) Before placing a parcel for sale, the Finance/Insurance Committee at its discretion may determine the appraised value of the parcel or may have an appraisal made by a certified appraiser.
 - (B) Parcels which have been advertised for sale by publication at least once may have the appraisals for such parcels adjusted by the Committee.
 - (2) Notice of Sale. Public notice of the sale of real estate shall be made by publishing a Class 3 notice, under Chapter 875, Wis. Stats., in a newspaper of general circulation within the County. Notice shall also be given to the clerk of the city, village, or town in which the real estate is situated at least three (3) weeks prior to the sale.
 - (3) Type of Sale
 - (A)
 - (i) The sale shall be by sealed bid on forms established by the Finance/Insurance Committee. On the first occasion any parcel is held for sale. No bid shall be accepted for less than the appraised value of the parcel approved by the Committee. The sale and the award to the successful bidder shall be conducted by the Finance/Insurance Committee.
 - (ii) A ten percent (10%) bond in the form of a cashiers check or postal money order shall be included with each bid. In the event that the bidder fails to close the sale of the property by providing the balance due within ten (10) days of the time from which the bid is awarded the bond shall be forfeited as damages to the County. The parcel will then be offered to the next qualified bidder.
 - (iii) In the event of a tie bid, tie bidders shall be requested to resubmit new bids within three (3) days. Failure to resubmit a bid will invalidate the original bid and the contract will be awarded to the next qualifying bidder.
 - (B) If no bids are received, or the bids received are less than the appraised value,

the Committee may offer a parcel for sale through real estate brokers, advertisements or other appropriate means.

- (C) After a parcel has been advertised once for sale at the appraised value, a list of the available parcels shall be maintained and shall remain for sale. Sealed bids may be received for these parcels, which bids shall be taken up by the Finance/Insurance Committee at the regular meeting monthly Committee meeting. For these parcels, the Committee is authorized to accept any bid which is determined to serve the interests of Oconto County. No bids on these parcels shall be accepted after November 30th of the year preceding the regularly scheduled Land Sale in May of each year.
