Dear Perspective Buyer:

In accordance with Chapter 75 of the Wisconsin State Statutes and Oconto County Ordinance 5.101, Collection of Delinquent Taxes, we have compiled the attached brochure of land parcels offered for sale by Oconto County in its annual delinquent tax land sale.

Each corresponding price shown on the enclosed list is the minimum acceptable bid in accordance with Section 75.69 of the Wisconsin Statutes and at the initial bid opening all bids under the stated minimum bid price will be rejected. The Committee may accept bids on parcels which have been advertised for sale in previous years in an amount determined by the Committee to serve the best interests of Oconto County.

The descriptions and headings under which the lands in this brochure are listed are meant to be suggestive only. The County does not represent, warrant, or promise any of the matters referenced in the headings. **All property is sold “as is” by quit-claim deed according to the interest held by Oconto County at the time of the transfer.** Further, Oconto County makes no representations as to the condition of any improvement to the parcel. Taxes on the parcel will be paid in full through the last tax bill issued on the parcel. Taxes will begin to accrue on the parcel on January 1st in the year following the date of the sale and any outstanding special assessments by the municipality in which the parcel is located will be the responsibility of the purchaser. Purchaser should contact the municipality to learn of special assessments/charges.

Commencing March 15, 2018, sealed bids will be received by the County Treasurer’s office (301 Washington Street, Oconto, WI 54153-1621) on behalf of the Finance and Insurance Committee of the Oconto County Board of Supervisors.

Bids will be open at the monthly Finance and Insurance committee meeting until November 30, 2018. Please check the Oconto County Website for dates.

At the land sale bid opening, no bid which is less than the minimum bid amount (as set forth in the Land Sale book) may be accepted at the first bid opening. If the Committee decides to accept a bid which is not the highest bid for the property, a written statement must be prepared for public review, which states the reasons for accepting the lower bid. After the initial bid opening, the remaining properties will be noticed again by a class 1 publication advising that those properties remain for sale by sealed bid until November 30, 2018, at which time bidding will be closed on all properties until the 2019 Land Sale. *During the period from May 8, 2018, through November 30, 2018, the County may accept any bid for any amount for the unsold parcels.* The Finance and Insurance Committee may withdraw any parcel and/or accept or reject any or all bids as may be determined to be in the best interest of Oconto County.

You must use and complete the enclosed “Offer to Purchase Property” and “Title” forms along with payment in the amount of 10% of your bid or your bid will be rejected. Persons desiring to bid on more than one parcel must submit separate bids and deposits on each parcel. **Submit each bid in a separate sealed envelope marked “LAND SALE” and indicate the “SALE NUMBER” on the outside of the envelope. Multiple bids in a single envelope will not be considered. Envelopes without “Sale Numbers” or with more than one “Sale Number” will not be accepted.**

TERMS: **Ten (10%) percent** of the bid amount must be made at the time of the bid, by **cashier’s check or postal money order** as earnest money, and be **made payable to Oconto County Treasurer.** Earnest money shall be returned to unsuccessful bidders after bids are awarded. **The balance of the bid is due within 10 (ten) days after the bid is awarded,** upon receipt of which a Quit Claim Deed for the parcel will be issued from the County to the name you have provided on your Title information form. The County will record the deed upon receipt of the recording fees from the purchaser in the amount of \$30.00. If commercial financing is required for the purchaser to complete the purchase of the parcel, this must be noted on the bid form.
