MAS: Michael Rzepka

Administrator Present: Charlie Anderson

Absent: Toni Stastny – Mountain, Judy Wanner - Riverview

Citizens Present: None

Meeting Posting: Charlie Anderson verified that the agenda had been sent to the towns for posting. Each Town verified that the agenda had been posted as required by State Statute 19.84(1)(b)

Minutes of February 16, 2023 Meeting: Motion by Mike Rzepka second by Brenda Carey-Mielke to approve the minutes as presented. Motioned carried.

Unfinished Business

Sale of 2003 ambulance: Charlie reported that the 2003 ambulance will be listed for sale on the appropriate websites with an asking price of \$25,000.

New Business

Plow Truck: Charlie reported that the truck used to plow the driveway is old and will need to be replaced soon. The truck is 1999 Chevrolet that was given to MAS when it was retired by the Town of Mountain.

Levy Limit: Bill 472 was approved by Governor Evers on March 3rd. This law change would allow Municipalities that are part of a joint EMS Service to exclude from their State levy limit calculation operational costs for EMS. Brenda will check with the Wis. Towns Association to confirm how this law change could impact MAS.

Resignation: On 03/02/2023 an incident occurred at the MAS station that resulted in the resignation of a part-time volunteer of MAS. The incident was a disagreement between two individuals and did not involve MAS in any way. It is unfortunate that this occurred at the MAS station and has been addressed in an appropriate manner.

With no additional business to come before the Commission the meeting was adjourned at 7:10pm by Chairman Dick Booth.
