SALE BOUNDARY: Sale area is defined as red pine plantation only. Sale area is bounded by young aspen stands. Do not leave plantation. If a discrepancy exist between this written description and the map then this written description will prevail.

CUTTING SPECS: A red pine plantation thinning is being conducted to improve spacing. Within sale area harvest all trees marked with orange paint only. If harvest occurs between April 1st and November 30th then the contractor is required to be DATCP applicator certified in Forestry and apply fungicide treatment for HRD to all conifer species. Oconto County will provide contractor with fungicide and dye. In addition cut product may not be stored for more than 2 weeks between May 1st and August 30th.

UTILIZATION STANDARDS: Cord wood (aka pulp) must be utilized to a 4 inch top diameter for hardwoods and 3 inch for softwood. Logs will be defined as an 8 feet or longer to an 11 inch small end diameter for hardwoods and 9 inch small end diameter for soft woods.

SCALING METHOD: Cord wood delivered to approve mills with certified scales must use truck/mill ticket system. Cord wood not going to mill with certified scale will be scaled on the landing. All logs will all be scaled on the landing according to diameter size, not by grade. All stumpage payments are due upon receipt of the billing invoice. If payment is not received by close of business, 30 days from the date of the invoice, a penalty of 1.5% of the value on the invoice will be added each month. In addition, purchaser will be required to pay for forest products prior to removal until all invoices are paid in full.

CERTIFICATION: Logging Contractor (not necessarily the purchaser if subcontracted) must document compliance with Wisconsin SFI training standard. Successful bidders when signing a contract shall provide the county with workmen’s compensation as required by Wisconsin Law and liability insurance with minimum combined single limit of $1,000,000. Sub-contractors are also required to provide workmen’s compensation and liability insurance as required by Wisconsin Law.

BOND REQUIREMENTS: A 10% Bid Bond must accompany each bid. Bond can be in the form of personal check, certified check, bank draft, or money order. Oconto County may retain the bond if the successful bidder fails to sign the contract. The Purchaser within 6 weeks of bid opening and before work is commenced must submit a 25% Performance Bond acceptable to the County.

CONTRACT: A 24 month contract ending May 30, 2021 will apply to this tract. A sample of the timber sale contract, which may contain additional provisions, is available upon request. Timber sale contracts may not be assigned.

Total Bid

Acceptable bids must meet or exceed the total combined advertised value. If an error on a bid form is discovered, the price per unit, as indicated on the form by the bidder multiplied by the estimate of the county will be used to determine total sale bid value. Tie bidders will be offered an opportunity to withdraw. If none withdraw, tie bidders will be required to submit another sealed bid within 2 days of bid opening.

NOTE: This bid, when properly filled out, should be placed in a plain envelope and sealed. Mark the envelope 'Sealed Bid - Timber Stumpage', indicate the Tract No. and enclose the 10% bid bond.
